

EOSGlobe Wins The Company Of The Year 2022 Award At Outlook Business Spotlight's Business Icons Awards 2022

Mumbai, India - December 25, 2022 - EOSGlobe (Eureka Outsourcing Solutions Pvt. Ltd), a leading business solutions provider won the prestigious title of '**Company of the Year 2022**' in the category of '**Business Outsourcing Processing**' at the **Outlook Business Spotlight's Business Icons Awards 2022**. The event was organised by Outlook Business Spotlight on 25th Nov 2022 in Hyderabad to recognize and celebrate excellence in business innovation, creativity, and leadership. The event was attended by professionals and leaders from different industries.

EOSGlobe is a business process management company that strives to design customised outsourcing solutions for diverse business needs and offers services like next-gen BPM services, Business Intelligent Technology, Robotic Process Management, Consulting Services, and Digital Solutions. The company is responsible for handling 40 Mn+ transactions every month that include all aspects of the Customer journey including the contact centre, total quality management, and back office/transaction processing assignments.

The **Director and CEO of the company, Abhinav Arora** is a Qualified Senior Executive who comes with more than 20 years of experience in Business Management, Revenue Optimization, and driving Profitability. He is also the Co-Founder and CEO of Eureka Digitisation and Automation Services (eDAS), a renowned digital automation company.

Extremely thrilled to receive the award, Abhinav said, "Our first and foremost responsibility at EOSGlobe is to understand the client's requirements, analyse current scenarios, and present a customised solution for the same."

He gave the example of the banking industry and said, "We help the banking industry generate leads, resolve customer queries, and manage back-office pre-credit work for different liability products. This further helps to define the customer life cycle for the respective brand."

Abhinav also credited his entire team and said, "Behind every achievement, there is a great team. Our employees are our biggest strength. Therefore, I have been building a holistic work culture since day one. At EOSGlobe, we also provide top-notch training facilities for team members working even from different remote locations."

Since the company's inception in 2003, EOSGlobe has expanded not only vertically but also horizontally. In the last few years, the company has grown from about 800 employees to more than 14,000 employees. Besides that, it has expanded from two to 10+ offices in India and partner offices in UK and USA.

While speaking about the expansion plan of the company, Abhinav mentioned that "We envision digitally transforming business processes, optimising cost, and driving greater returns."

Abhinav is the recipient of many more highly esteemed awards like:

- **India's Most Promising Leader 2020-21** issued by WCRINT, brand's 360 in commendation for exemplary achievements and immense contribution to not only the growth of EOSGlobe but also of
